When I got a call from a photographer that this model named Kristen wanted to do a scene with me, I was flattered and excited. I remember meeting her on another set where she was waiting to do a scene with a friend of mine. We met briefly,

Erica & Kristen

but instantly I felt a spark and secretly hoped she would get in touch with me.

Well, she did, and here we are having great sex while it's pouring rain outside. What better day is there?

Well, let me tell you, Kristen was everything I imagined she would be. Attentive, compassionate, and quite lusty. She has this youngish charm about her that made me want to eat her right up. And I did. She tasted so yummy that I kept licking her long after the director yelled 'Cut!' But she didn't mind so I kept right on licking. Fortunately she kept her climax for the camera.

I think my sex drive has developed more strongly over the years. I was shy and awkward in college and even for years after that. Then I met some taller guys (I'm almost six foot) and that made me feel better, then in my forties I fixed my boobs and I was off and fucking.

Mandy

I then got even more adventurous and experimented with women, and orgies and stuff like that. But all in all, I think I like three-ways the best.

That was fun.
I find now that it's
so much more fun
with two guys. Being
so sexual, I need a
cock in my mouth and
one in my pussy. The
guys also seem to like
fucking more. I don't

it's just a macho thing.
But I've never been
banged as hard or
as enthusiastically as
when it was with two.

To 50+ Magazine:

The other night my new girlfriend, Megan, came over to spend some time together. She brought a bottle of pinot noir and melancholy stories of younger times. We finished her bottle and her stories, then it was time to get a second one out. This time it was my turn with the stories. I drifted back to my early college years, some thirty-plus years ago, recounting one night at a rock n roll concert I attended just off of the campus.

It was at The Garage, a large converted auto parts warehouse that held about a thousand people.. The band that night was an up-and-coming hard rock group called the Poles. They just signed to a label in Nashville, but we thought they may be a little too heavy for country. They were about to break into the big time and I wanted to get my claws on their lead singer, Giorgio. He was a bad boy, and I was really attracted to him. I would go to the local clubs where they were playing around town as often as I could. I must have seen

Sara 'Nasty' Jay

I've been following, and liking Sara Jay for many years. She's always captivated me with her unabashed sexuality and extreme sexual energy. I was always intrigued by how she can go from men to women without missing a lick. And what sort of comment could I make without mentioning her amazing body. Those boobs and butt sandwiching a narrow waist. But what I haven't seen much of is a focus just on her until picked up a copy of your magazine. Frankly, I don't think she's looked better and I was able to enjoy her without anyone else sharing the photo. I especially liked the photos where she gets all oily! I hope you have more images of her in your library and will share them with us Sara Jay lovers.

them twenty times or so by the time I was a junior in college. I tried many a time to get backstage, but the groupies and bouncers made it quite difficult to do so. This time, however, I was determined because it's now my senior year and either they or I will disappear from the state. So it, just before spring break and they're playing that night. My hair is all teased out, midriff bare and I'm layered in lace.

The show ends and I could tell that the band was pretty plastered. They missed notes and Giorgio screwed up the lyrics on a few songs, but I don't think anyone cared. They gave their customary middle finger salute to the audience and stumbled off stage. This time I was ready to see him. I found and told his manager that I was the editor of the school paper and wanted a one minute interview with Giorgio and I leave right away. He agreed and pulled me around back stage to their dressing room.

Of the four guys in the band, three had passed out in various chairs around

the room. A couple roadies were shuffling around gathering up the instruments and stuff to pack up. My eyes found Giorgio. He was not alone. He was making out with a girl in a corner. It seemed like he was on something. The manager went over and whispered in his ear.

His blank look came my way as I moved closer. He pushed the girl away and I got the feeling that he was very rude. I didn't care. I sat down to his right and told him I wanted to talk to him. He held up his hand signaling just a minute. I didn't like that but what choice did I have. After the girl left and gave me a dirty look I tried to talk to him. He wasn't even coherent and smelled of whiskey. I still liked it but he was almost laughing at me, asking what paper I was from. I told him but it didn't sink in. Then the manager came over to us and told the group they had to leave. The place was shutting down. Giorgio told me to come with them to the trailer and he'd give me my interview. He barked out some stuff to the others as they all shuffled out of the room.

We found the band's trailer later and he was loud and really stumbling now. His armpits smelled really bad now from performing, but he was still really hot to me. We go in and to the back room so he could pee. A

minute later he comes out and all at once he pulls down my skirt. He was really high on something. He tried to finger me and was almost there but missed a little. I guided him and now was a bit more satisfied; this drunken mess was still a star in my book.

I started to enjoy myself and savor the moment. He just wanted me on top of him and I obliged. This guy was not rich yet. He was just on his way up. I really fucked him fast, desperately, as I knew this was the true definition of a one-time thing. I did fuck him there in the trailer. At three am his manager told him to get out of the local trailer and on the bus and for me to go home, it was time to hit the road. I looked back at him and he didn't look good. I asked if I could contact him and he stubbed his toe, swore, and told me to get out. I got one last glance at his naked body when he dropped the

blanket he was wrapped in. I walked back to my dorm (yes, I still lived on campus) thinking he'd probably end up dead soon. Nonetheless I savored the bit of romance. Hey, he didn't smell like an angel but he still was one to me. He did die young, two years later from drug-induced heart attack. I enjoyed my time with him. He treated me like dirt but it was just the demons inside of him that allowed him to be an artist. I haven't ridden anybody that hard since then. But, that's rock n roll. And that's why we women are attracted to it.

I opened another bottle and poured out two more glasses. Megan politely let me finish my tales, then took my hand and we headed back to the bedroom.

Cherise, Illinois

To the editor

If you thought meeting and picking up girls at bars

or clubs was a good bet, well that may be, but I've always found the park to be a better bet. The women are usually friendlier, you can see their faces, and they aren't as made up as they are when the party. And they're still wearing skimpy outfits if they're sunbathing or jogging or cycling. "Yes. It is a very nice place for jogging." I said as I sauntered over to her as she was taking a breather at a bench. "Great surroundings too," she said. I nodded as we kind of stared at each other. What better way to Lissa's breasts. Nice boobs. Pert. Yes, they're succulent too. That is if she and I, well you know... she and I...never mind. That thought was going nowhere, quickly.

"I'm Lissa," she said. "And you are?"

I told her. "Chris."

"I like it" and she smiled some more. Her eyes did not trail off mine. Was she trying to pick me up? I looked around. This was new. Picking up guys at parks like this, instead of bars or clubs. "Maybe I will see you out here tomorrow or later this week? What time do you normally come out, if I may ask? I'm here at around 6 pm, after I get off work," she said. I said that's when I usually ran.

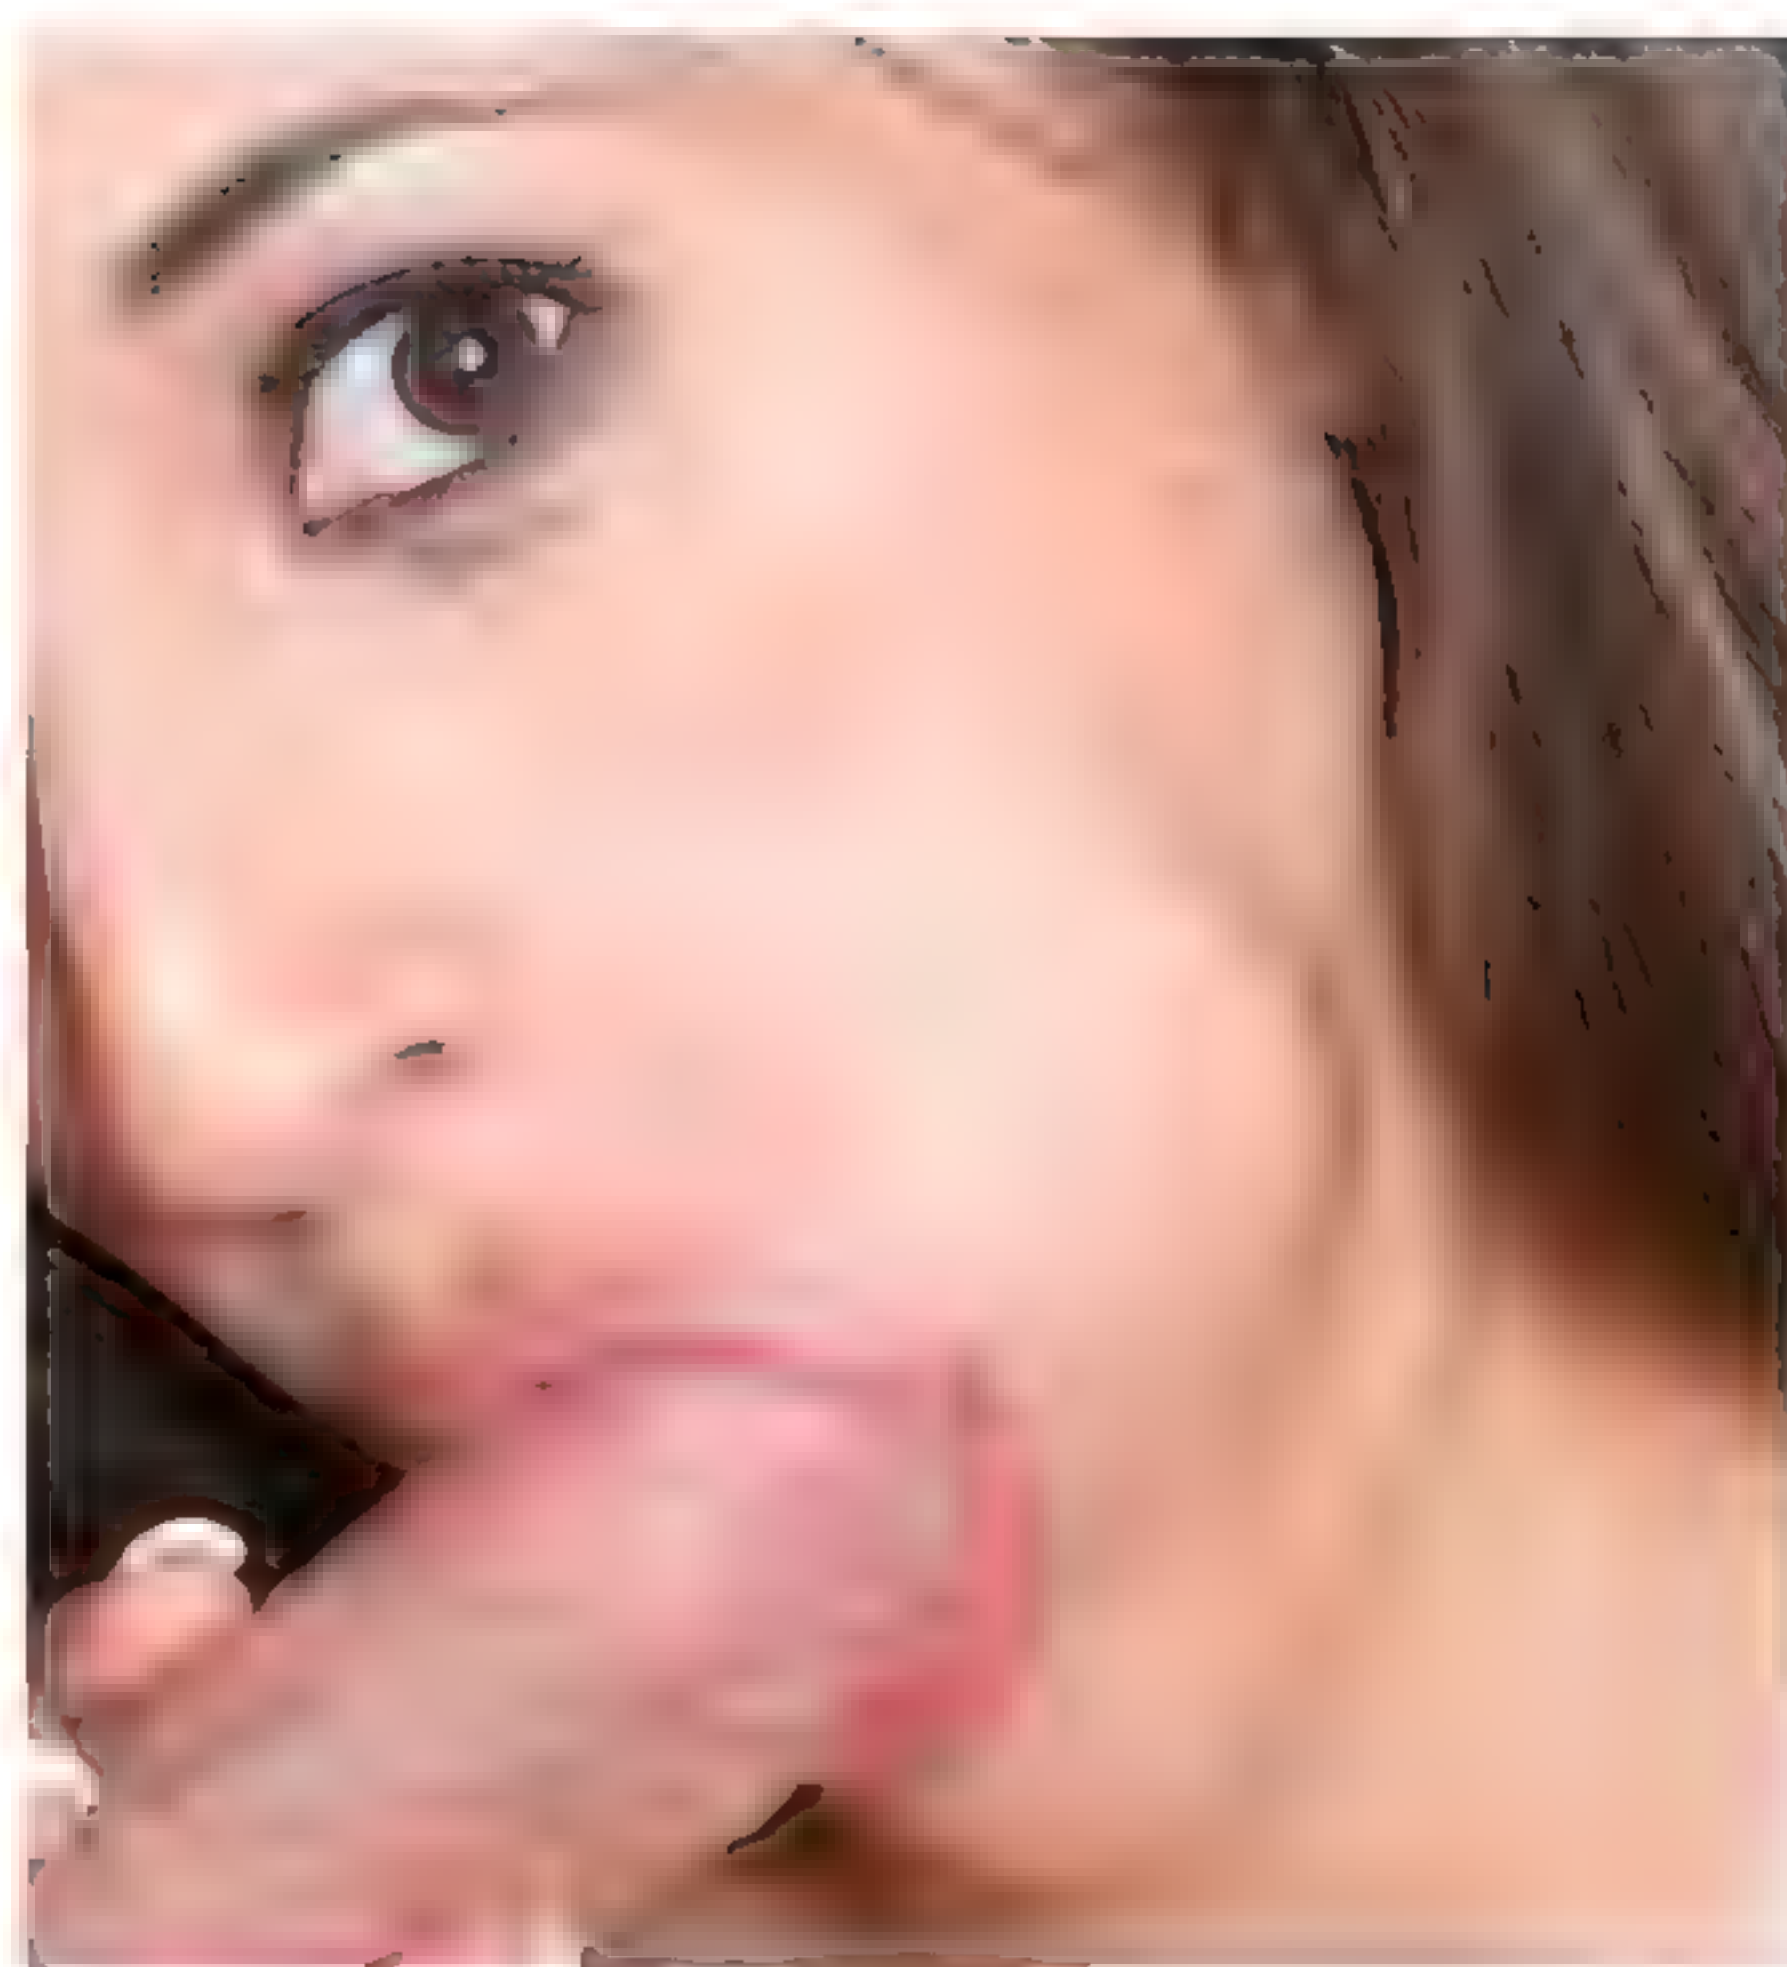

There she was again, the very next day, and the next day, and the next day. Some of her jogging outfits hugged her body showing

off her ass and hips and, of course, her tits as well. I knew, in the back of my head that I now wanted to ask her out. If that was the case and she wanted me to ask her out... why hadn't she asked me out first?

"Chris?" she called out. "I'm not sure this is appropriate but..." and she stalled, pausing to ask the question anyway "I have a question for you? Are you...dating anyone?" Strange question but I said no. "Would you be interested, at all, in going out sometime, with me?"

My heartbeat soared. I felt warm, all over. I was getting way ahead of myself here. To me all of a sudden I could feel the woman next to me, in bed, naked too, and all I wanted was to play around. "I'd love to Lissa" and I looked right at her and nodded. "Great... so do I. Care to go back to my place, spend a few hours with me. I think it would be fun, wouldn't you?" she came back. I felt hot all over. I wanted her more then ever. I wanted sex with her, and all her friends for that matter. Was this a good beginning? You bet your ass it was.

Somehow, she felt seductive, warm, and more alluring to me then all the other times. I felt it. My body tingled. I felt it so much that the tingling pangs of grandeur coursed through me...straight to my legs... my thighs more to the point. My cock felt the

needs. My urges urged it all on. "Feel my crotch" I suddenly whispered. "What?" she said. I repeated myself. She felt it, my erection, instantly. "Oooooohh, that's nice Chris...real nice" and with that, she took hold of my hardened cock and squeezed it. "Did you like that?" she asked, sweetly. "I did." I tightened up all over. I wanted to feel all of her body.

We came closer, and closer to her house. Finally, we pulled in. She didn't get out. I didn't either. We turned and looked at each other. She smiled and sweetly kissed my lips. I couldn't pull away. I felt her tongue. It was soft and intruding as she sucked me down into her throat and we went at each other's lips right there in my car. I could have, without thinking, fucked her right there on the spot. She sucked me back into her mouth and as she did her hand found mine and quickly pulled and placed it down inside her thighs.

She pulled herself away and we got out and headed into the house. Once inside, our clothes came off. She climbed all over my body and I could feel her boobs pressing firmly into my chest. Seeing as I was hard, and horny, her hand moved underneath my boxers. She looked at me, smiling. It was like she knew what I wanted.

Suddenly, I felt her hand again. This time it took hold of it and pressed it to her breasts. I tingled more. I so wanted to cum. I hoped she did too. My fingers played around down there. I fingered her clit and eased my way inside. It was tight. It was wet. It wanted me.

I lowered my face between her legs and licked her, eventually going inside that hungry pussy of hers. She tasted delicious. I kept doing it. She seemed to love it too. I squeezed her ass with my hand. My hands, as I kept eating her out, reached up and I felt

and squeezed her breasts. Her nipples were hard. I climbed her body and was all over her boobs, especially her nipples. She cried out as her body rose and fell and rose and fell and shifted for more beneath me. I hoped she was ready. I was. My cock moved into position and she naturally split her legs for me. I was all the way in. She felt incredible. She screamed and screamed as I plowed down into her more and more. She came again and as she did, I could feel it.

I was ready to come. So I did. I let it blow. Inside her, my cock released all it had stored up and it flowed all over her beautiful, luscious cunt. She took hold of me and brought me down on top of her. Before I knew it, her lips were all over me, again. Finally, we stopped. She pulled me close and whispered... "We'll have to do this again if my husband goes out of town next week."

I looked at her, mouth open. Did I hear what I just heard? I looked at her at arm's length and slowly let a smile come out. "Sure."

I want all of you to know that this is only my second photo shoot – ever. I wasn't sure how it would come off, but I wanted to do my best. I told the agent, then the director, that I would be most comfortable shooting with my husband.

Alejandra

When I approached him with the idea, he was all for it. So when the time came, I warmed up with a friendly vibrator until I was all heated up and ready to go.

I couldn't believe it when
I saw the pictures. They
were really good. My gosh,
I even looked like a porn
star at last. Even my hus-
band was pleased. He said
that they were quite a turn-
on. He especially liked the
ones where I was sucking
his cock and had his cock in
my pussy. I liked those too!

The best thing about being a porn star is the playing dress up, hair, makeup and playing personalities other than myself. I know you are thinking is there really a difference between Cory Chase and who I really am? No, however I get to play all kinds of different characters. I get to star as a superhero, police officer, mother,

Cory and Alexis Fawx

daughter, dominatrix, and submissive in a lot of the video I make for my own productions. I like the variety and the challenge that comes with that when sometimes I play multiple characters in one day.

What is the worst thing about being a porn star?

The worst thing about being a porn star which I am sure is something every actress goes through is the lack of privacy. Once your life is out there on the screen and internet it is hard get away. I do not have many issues with fans out in the public that come up to me and demand things. I am so happy my fans are respectful in that aspect. I also find with social media and fan interaction that I find it is also hard to disconnect. The world has gotten so much smaller with internet that it is crazy that I can interact with fans on the other side of the world at all hours of the day.

What would you say is your best and worst physical feature and why?

I love my body and I work hard at keeping it in the shape that it is in. I watch what I eat but I also do not deprive myself of things that I crave or want. I am a big believer in portion control. I am in the gym working out for about 30 min

**PHOTOGRAPHY:
EVIL ANGEL**

a day 3-5 times a week. I do high intensity training that combines weight training and cardio at the same time.

As far as my worst feature goes there are little things here and there that I do not like that I wish I could change but at the end of the day those are the things that makes me who I am and I would not change it for the world.

Do you masturbate often? Who or what do you think about when you masturbate?

I do masturbate often I make a lot of masturbation videos for my fans for custom videos. I masturbate to the thought of their big large cocks, my sexy body and the act of my fans being cuckolded. In my personal life I usually do not have to do it at all I get enough of it at "work" or having sex.

What sexual fantasies have come true for you since you started working in porn?

Well in the beginning I would say I was pretty vanilla and I did not have

many sexual fantasies. I would have to say that porn has opened me up to sexual fantasies. I have found that I enjoy Anal. I have found that I love masturbating under water. I have learned there are all kinds of different fetishes, fantasies and role playing that have been some really great turn-on. I love my first foursome where I had ever hole filled at the same time for a video. I would say it was an almost out of body experience. There is so much happening and there are so many different emotions and feeling that go on that I felt like I had to go outside of myself and see it from the third person point of view. I am also very grateful that a lot of my first are video recorded and that I get to go back and watch the video and see it from the other perspective and reflect on the feelings I was having during the acts.

Describe one of the hottest sex scenes you've ever been involved in.

I would have to say it was my first foursome. "My Three

Sons" (TabooHeat.com) Like I was saying in the prior question where there is so much going on and your body is reacting to each of the stimuli from each of the sexual acts all happening at the same time that is was so overwhelming that I felt like I had to separate from myself just experience it fully.

Do you like being naked? What's it like having a job where you can be naked at work?

I love being naked. I think it is also in part that I hate doing laundry and if you are naked all the time then laundry is not issues. I could defiantly see myself living in a nudest colony in another life. I love having a job that allows me to be naked. I actually am a bit disappointed when I have been on some sets where I have a lot of locations changes and I have to get back into clothing just to move somewhere else. I have also done some scenes in the past where a lot of my clothing has stayed on for the entire movie and I felt like I was not able to fully en-

joy the whole experience.

Would you rather win an award for your acting or your sexual performance?

I would like to win one for both but that is not what drives me in my performances in my movies. I want to do my best in both aspects of my performance where the fans just love my work.

Do you feel you're underrated as a performer or feel you've been acknowledged by the industry rightfully so?

I do feel underrated because I have paved my own path in the adult industry. I have had the typical porn career where I have worked with so many of the other production companies throughout the US and then branch out and start making my own work. I got into this business doing my own thing and have been in the industry for many years because I have done my own thing. I work for my fans and try to give them what they want within reason. I have had

several type of requests from fans that I just can not do. I do find with the new direction porn is taking in the self production realm that I am being recognized as leader in the custom porn world.

Who are some of your favorite directors to work with and why?

I have loved working with all my producers I have worked with recently. I think I am pretty easy to work with and take direction pretty well. B Skow with Girlfriends Films and Brazzers. Dan the creator of Girlfriends Films have been amazing to see how he has been in the business for so long. Also helping Kevin Moore with his new series in the Blackmailed movies he is making was great.

When doing a g/g scene how do you deal with working with a girl who's not into girls at all?

It is hard at times and sometimes you just have to throw it all on her to show her what it takes to make a great g/g scene. At the end

800-761-2742
Over 18 only.

of the movie they usually come up to me and say that they are really not into girls and that they were very surprised at how they after the scene and how comfortable I made them feel about themselves. I have to say I was the same way when I first started. I did not have any experience with a girl before porn and my first scene was very awkward but the model did the same to me as I do to others now.

Name one porn girl who's retired you wish would come out of retirement so you can do a hot scene with?

I am going to name two because they are both amazing. Lisa Ann and Sahsa Grey!

Are porn cliques real? Are you a part of a porn clique?

Yes porn cliques are real. They would not be cliques if they were not real. I do not think I am a part of any of the porn cliques and I think I am pretty vanilla outside of porn. I work too much on my own productions to fall in any of the categories.

Which of your movies are you most proud of?

I am pretty proud of them all. I do try my hardest at any clip or movie I make but I do think they have been your basic scenes. You have your intro, build up to sex the climax and the money shot finish. I do have a few private collection custom videos that will never be seen that are probably my best acting work.

What does the future hold for you?

Working with other production companies and hopefully a parody full length movie either made by myself or someone else.

Anything you'd like to say in closing to our readers?

I love you guys! I have been in this industry since 2005. I have no plans on leaving it and will continue to make the videos you want. I know with all the tube sites and ways to get free porn out there that it is so tempting to go that route but if you do not purchase your porn and stay interac-

tive then the quality of porn will continue to decrease. So stay active and pay for those video memberships. Support the porn stars you love. As someone who produces their own porn, it is imperative to know what you like, so vocalize it to the porn companies and continue to send your requests so we know what you, the viewer, wants to see.

What are your social medias where the fan can reach you?

I teach night school classes in Human Sexuality and I love my students. They are all in their twenties and thirties and usually have a sexual hang up. I'm here to make them feel better about their sex and ultimately their sexuality. Sometimes I have

Demi

to take my teaching lessons to a little more graphic scenario than the books talk about. Are you ready for a lesson? Here's how I do it.

I am giving a special lesson to my favorite student who just so happens to have the largest dick in the class. Please don't ask me how I know that. Anyway, he needed some special tutoring and I was available to give it to him in terms of pussy-licking and fucking. Now he's an A+ student.

When Snow White met Pinocchio, she ran up to him, knocked him flat on his back, and then sat on his face crying, "Lie to me! Lie to me!"

wishing me a happy new year! two in one makes whoopie

IT'S GONNA BE A HOT TIME IN THE OLD TOWN TONIGHT!

I had driven to Dallas across I-40 and I-35 from Albuquerque during the week after New Year to attend my friend Faith's big "end-of-the-year blow-out." That's what her invitation said. 'If the world is still here, let's party.'

I found her house in Irving with some effort, but it was quite nice with no view of anything. She had invited lots of people, probably more than a hundred, and to my surprise Devin was there. I thought he had moved to Europe, but here he was. I mingled through the night with the guests, getting drunk and having a good time. When I came across Faith we kissed and she looked at me and told me, "Did you see that Devin showed up?"

We caught up as the night progressed, getting more drunk, having a great time but I could tell by her deep lingering kisses and whispers in my ear she was very horny. Faith had teased me over the phone before the party that she was going to hook up with me for old time's sake. I just blew it off thinking she was probably

teasing me because she is quite good at that.

I looked for Faith as the party wound down. I saw Devin and started to chat with him. I couldn't resist sharing Faith's crush on him and he was clearly amused. We joked about a 50 year old having a crush on a 30 year old guy. After a few drinks we decided to catch up with Faith. We searched the vari-

ous rooms but couldn't find her and no one had seen her for a while. As a last resort we went up the flight of stairs to her bedroom. I pushed the door open slowly and we both looked amazed at the sight before us.

Faith was lying on the bed with her short cocktail dress above her hips so we both had a good view of her favorite rabbit vibe pressed against her clit, the humming of her toy punctuated occasionally by her groans of delight, her eyes closed as her sigh of enjoyment came in time with her rocking her hips to the vibrations. After

a minute staring at the sight in front of us, Devin turned to go but I took him by the arm and stopped him. Feeling my cock start to rise, I moved into the

The sight of her holding a hard cock in each hand was amazingly exciting. As she stroked our cocks, I took my hand and searched out her wetness with my fingers...

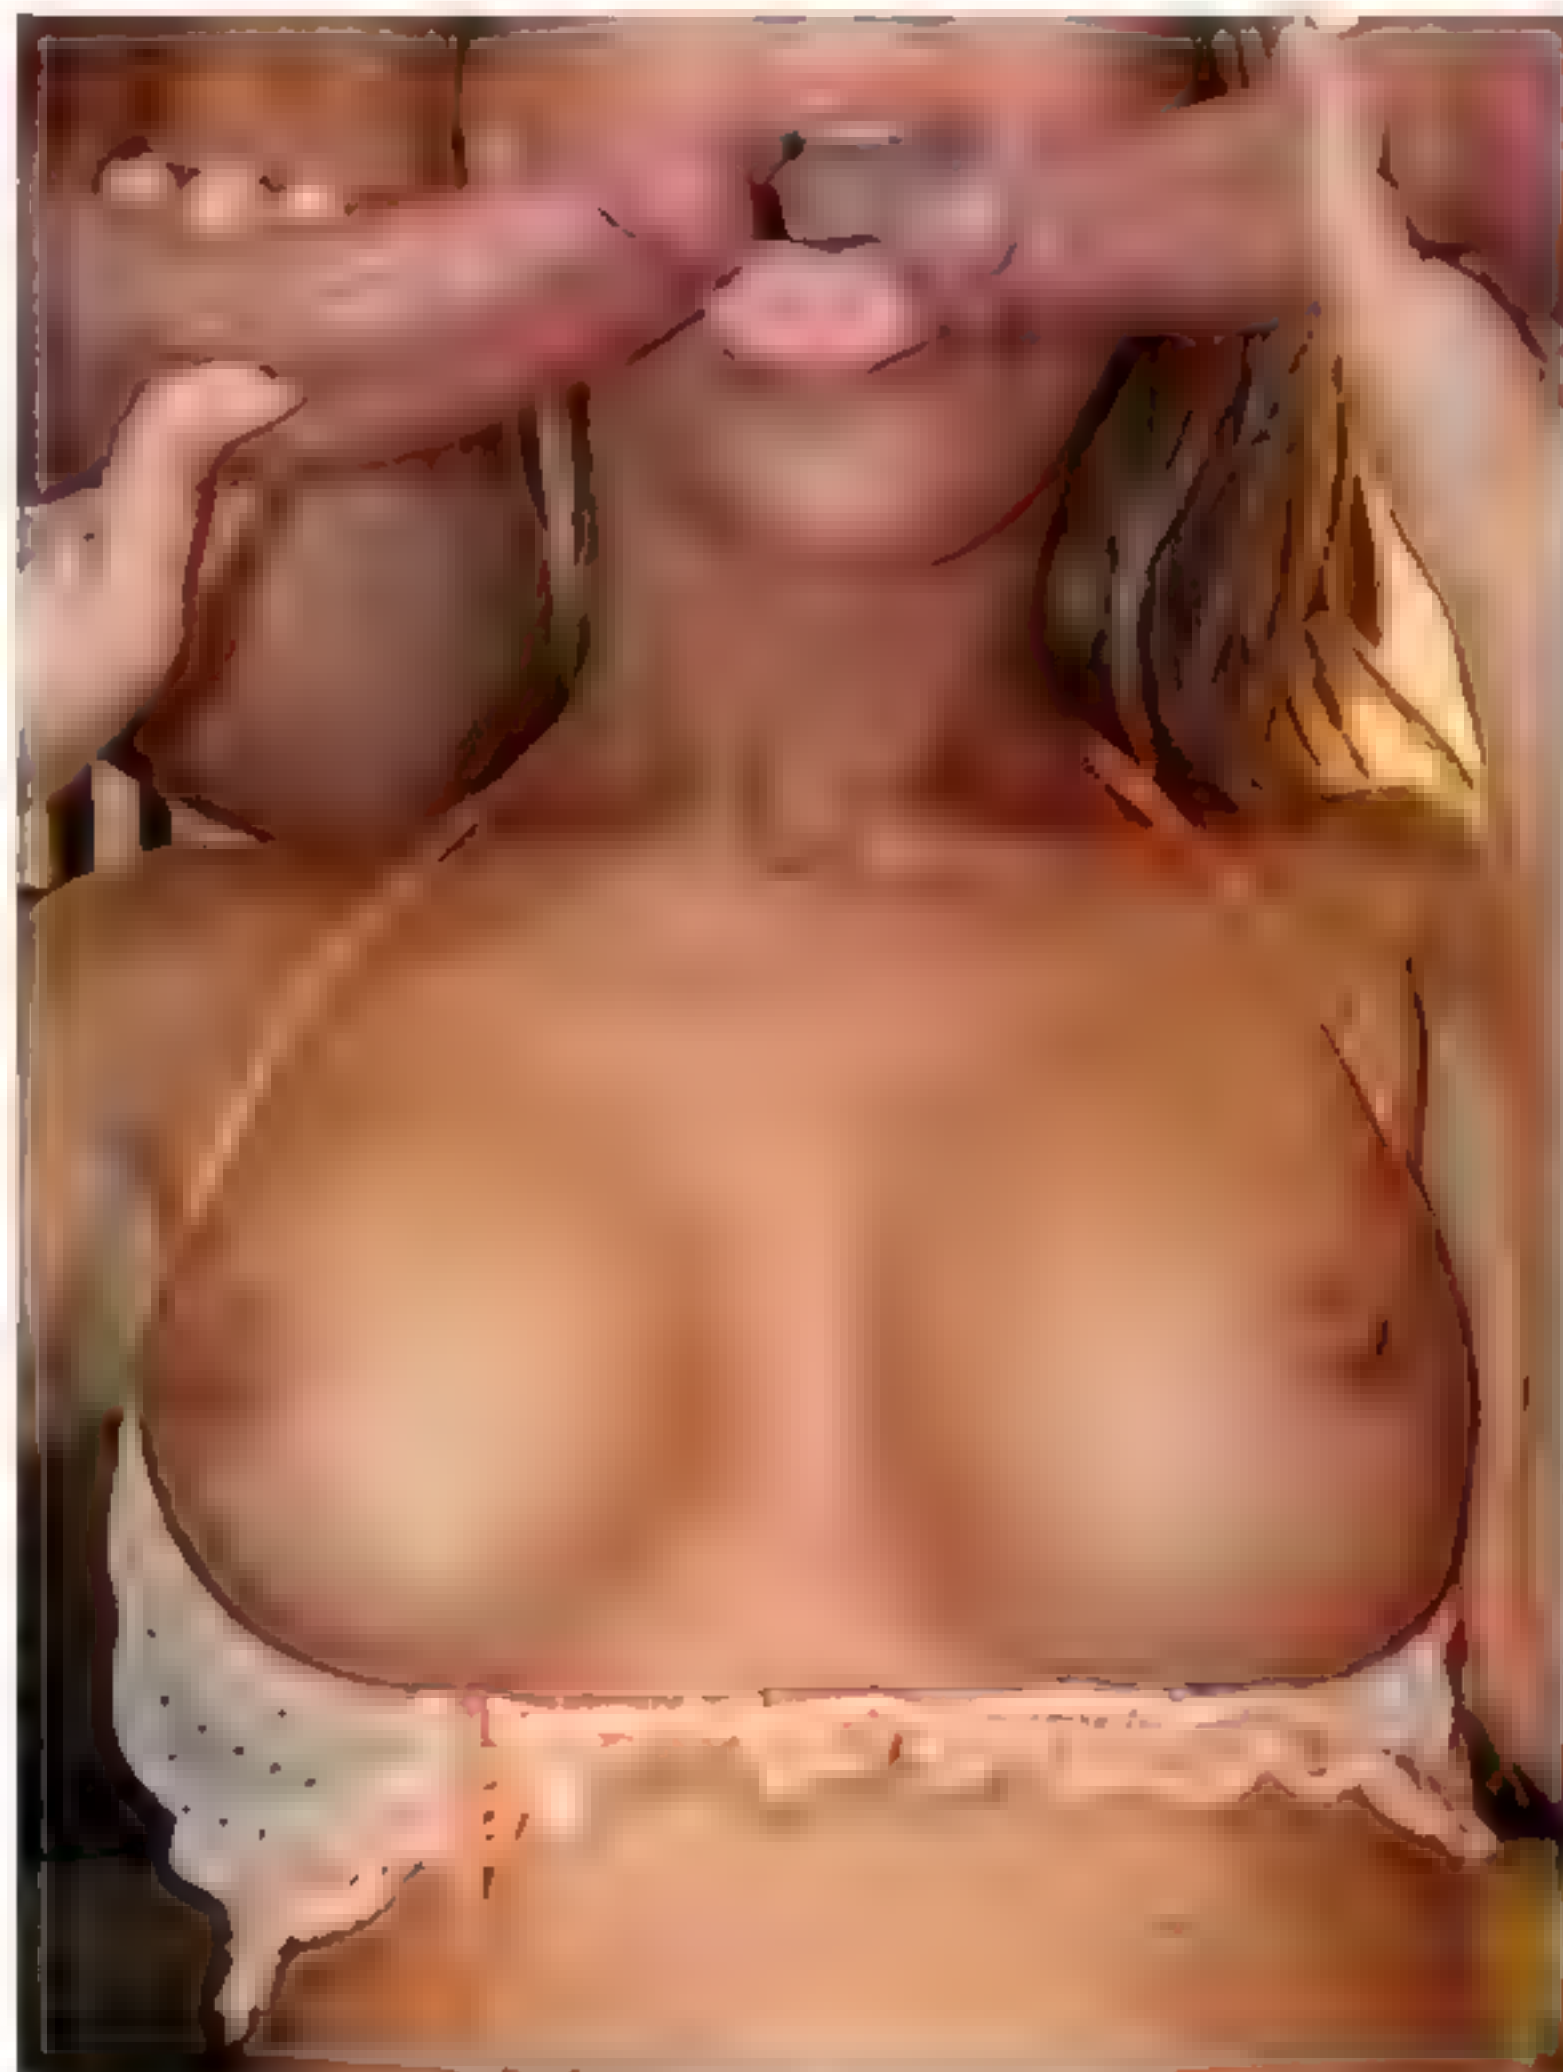

room. Glancing down at Devin's groin I reckoned he shared the similar excitement of catching Faith masturbating. I beckoned to go in and directed Devin to the side of the bed while I crawled across the other side and planted a deep kiss on her lips. She responded instantly returning my kiss with the same ardor.

She glanced across the bed to see Devin standing there and a startled look came across her face followed by a giggle of embarrassment and a movement to pull her dress down to cover up her recently waxed pussy. She slowed down the vibe and took it off her clit. "Please don't stop on our account." I said. And to continue my excitement and seize the moment, I unbuttoned my jeans, pulling them and my boxers down to expose my hard on. I pushed her hand back toward her wet pussy and urged her to continue as I began to stroke my cock in delight

at the scene. She groaned in pleasure at the sight and looked across at Devin. He was unzipping his pants, dropped them to the floor and revealed his thick rock hard cock springing from his pants. He too began to play with his cock getting it ready for what was about to come.

I climbed onto the bed and pulled her dress up so Devin and I could both adore her beautiful body. She guided the vibrator back onto her clit, parting her smooth lips to get access to her throbbing button. She glanced at us two men masturbating beside her and it only served to spur her on to grind the purple rabbit into her soaking slit. Kissing her passionately I slipped my hand underneath her bra and unfastened it releasing her boobs from their restraints and I pulled it off her. Her beautiful breasts

and hard nipples were now free and ready for us. I always thought her breasts were amazing. Firm, but full cups meant that they took a beautifully erotic shape for me. The view only served to make Devin stroke his cock harder and I ran my tongue around the base of the nipple next to me as it fattened to the light lick of my tongue.

Devin fixed on the view before him and heard her almost painful gasp as she reached a peak of pleasure and grimaced before her head collapsed on the pillow with her eyes firmly shut. The toy fell to one side. After a brief pause she looked at me then Devin, and reaching across grabs my cock in her left hand and begins to slowly stroke the length up and down looking into my eyes.

Then, reaching out, clasps Devin's cock in her free hand, stroking our manhoods with a huge, sassy grin on her face. My heart

pounded in my chest as I savored the sight of Faith turned on to such an extent. I loved the expression on her face when she was turned on. The sight of her holding a hard cock in each hand was amazingly exciting. As she stroked our cocks, I took my hand and searched out her wetness with my fingers, slowly circling her throbbing clit with in a circling motion. I nodded at Devin and we alternated between exploring her pussy with our fingers and slowly licking and teasing her nipples. She gripped our cocks hard as she shook with excitement when both our fingers converged in her wetness some fingers probing inside her and others parting her smooth, soaking pussy lips. I looked at Devin and motioned him to work her anus. His fingers slipped out of her pussy and probed between her butt cheeks. Finding her brown hole, he deftly slipped a finger slowly inside.

I was about to cum and Faith opened her mouth awaiting my man juice to feed her thirsty mouth.

As I repositioned myself, my hand slipped under the bed's pillow and came across an sexy pink vibe. I pulled it out from under and upon seeing it, Faith broke out into a huge grin. The look of anticipation on her face was only matched by her increased teasing of our cocks. I watched in absolute ecstasy as she ran her thumb across the top of cock heads. Receiving a glance of approval, Devin replaced his finger in her butt with the pink toy. It slid in effortlessly as she was dripping wet with excitement. He gently plunged the toy in and out with pulsing regularity and she groaned again with delight.

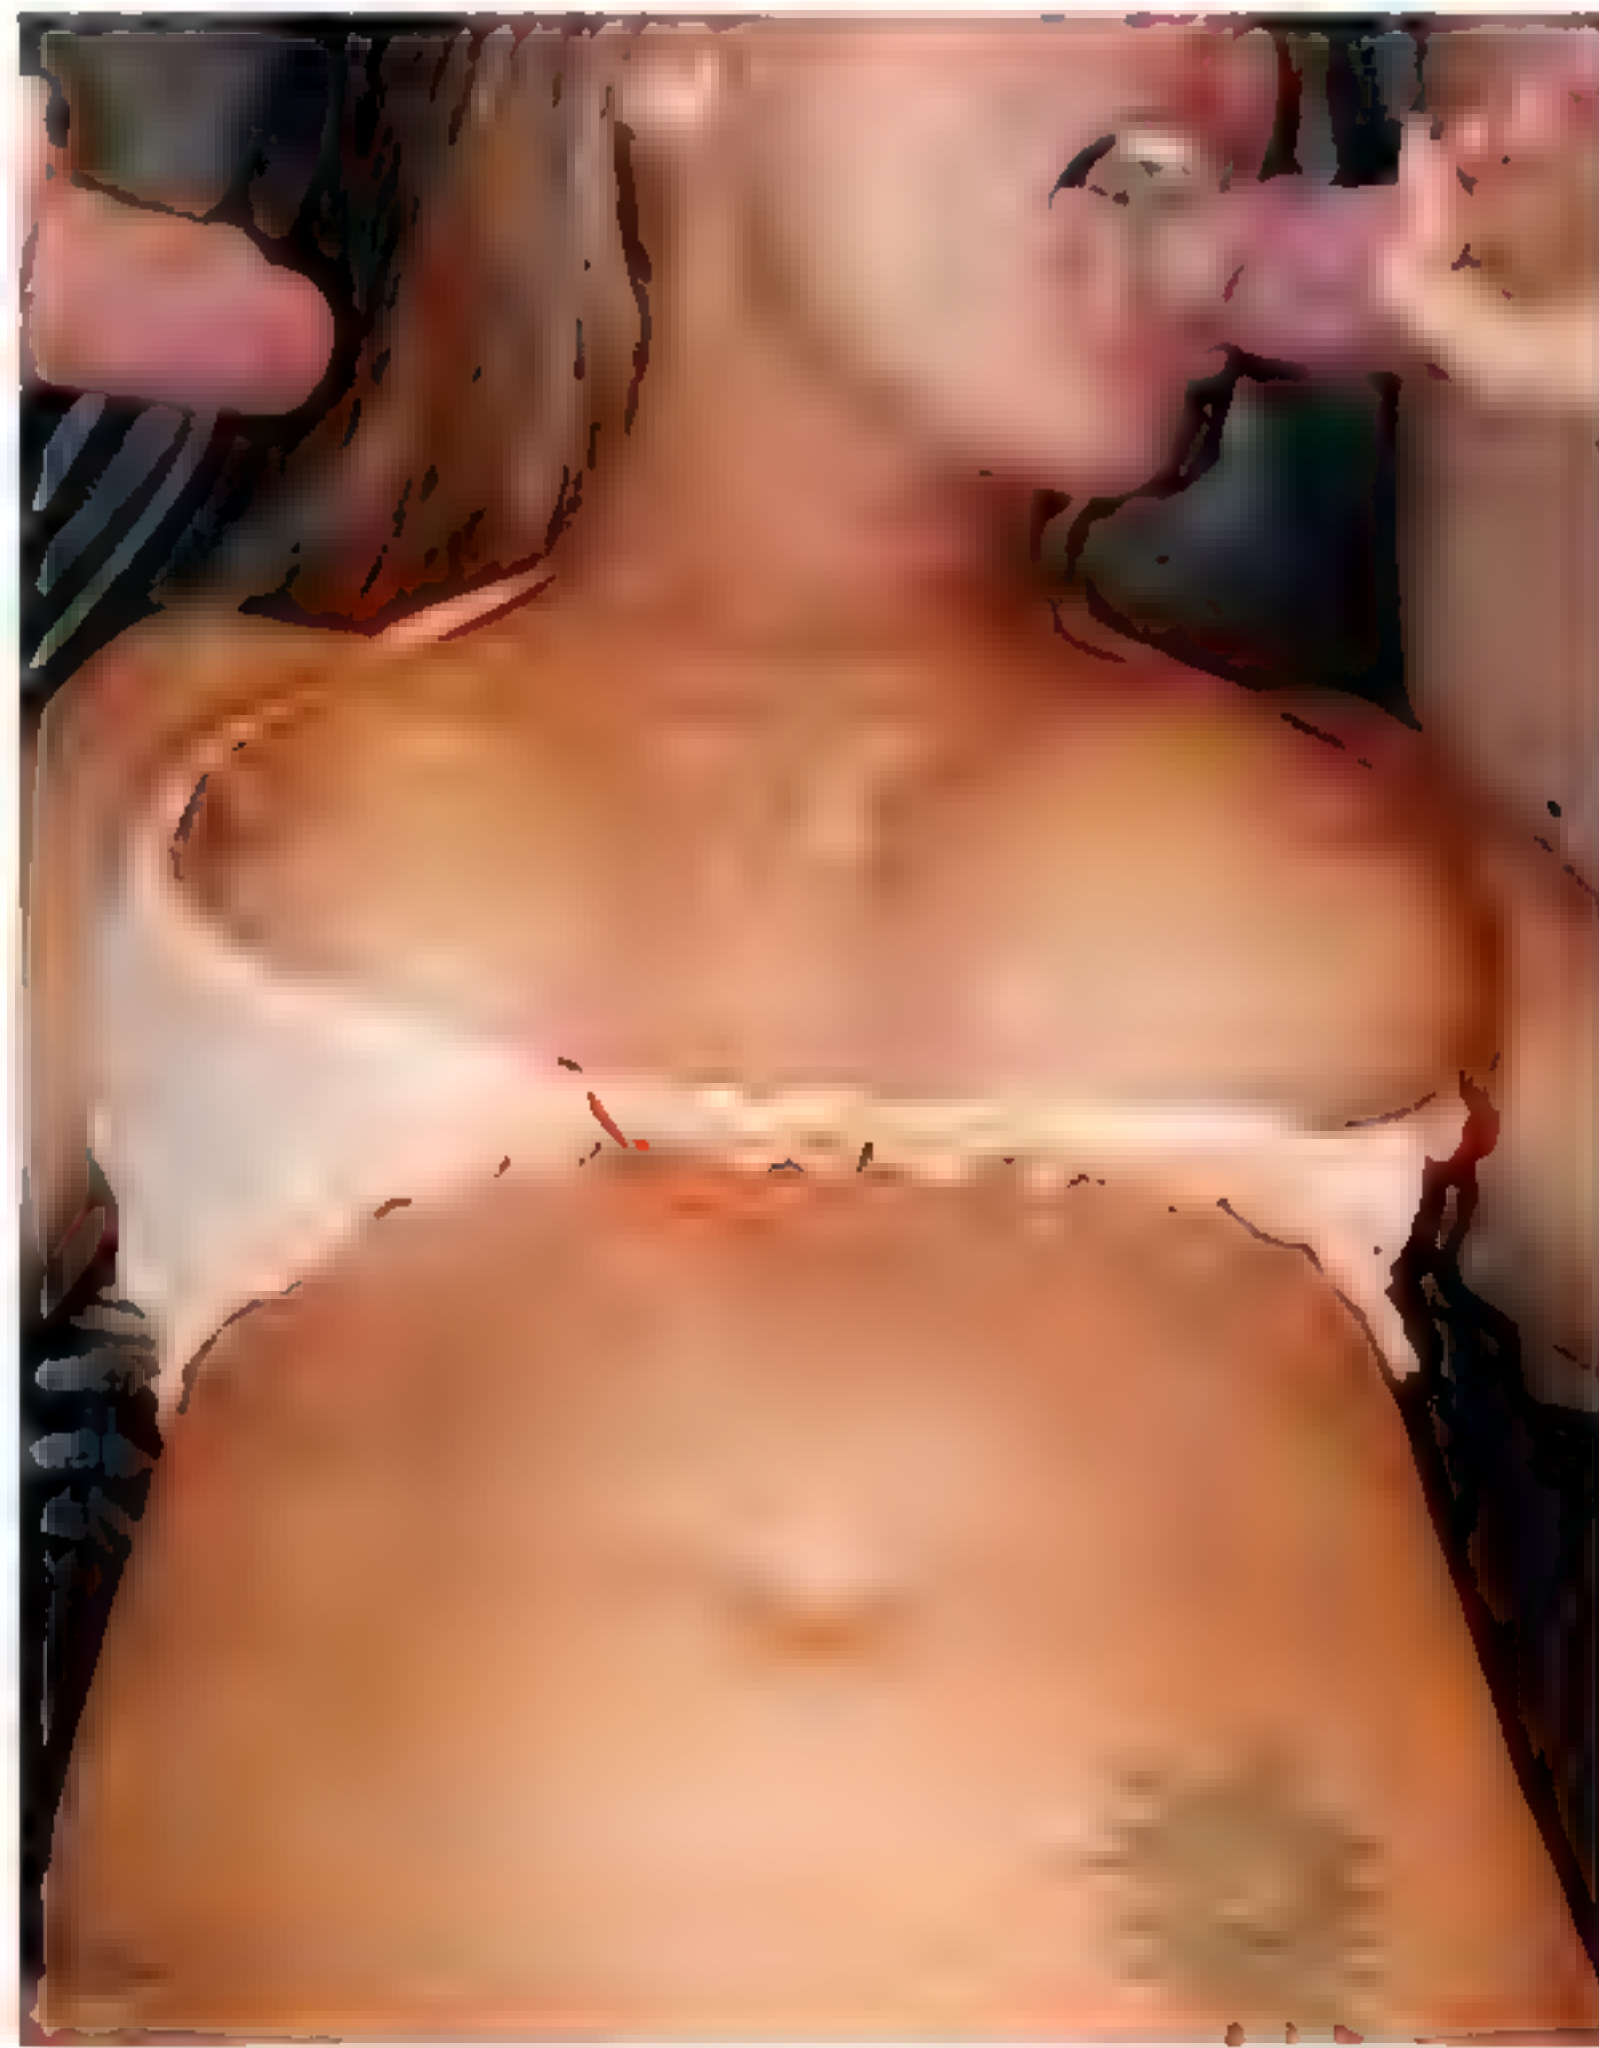

I was about to cum and Faith opened her mouth awaiting my man juice to feed her thirsty mouth. Needing no encouragement I knelt closer to her and fed her my rock hard cock into her welcoming mouth. Gripping the base of my shaft close to my balls she encircled her lips around me and enveloped my throbbing dick. Looking over to Devin, I felt his anticipation and excitement as I watched him rhythmically plunge the pink plastic cock into her gyrating, bouncing booty.

I exploded into her with a cup of liquid white lava as my full balls emptied into her accepting mouth. I bent forward and we kissed passionately after my softening dick dropped from her mouth. We shared the taste of cum on her lips from the beads that had escaped being swallowed. Turning to Devin, she strengthened the grip on his cock. His focus broken by the attention on his rock hard cock, the pink toy was discarded on the bed alongside the glistening rabbit previously used to induce a massive orgasm.

Faith's legs pulled my sweaty face into her wetness and I began licking her naked pussy. Looking upward I was greeted by an amazing view as my head

was gently rocked by her hips responding to the attention of my tongue and mouth. Her breasts were slightly flushed from excitement and shapely full. Her nipples swollen and upright, she squirmed in the throes of pleasure. Shifting her attention from herself to Devin, she moved her grip down his shaft and pressed her fingers upwards between his balls and butt hole. Returning the pleasure, Faith penetrated his booty with one finger and then two. Hot jets of cum splattered across Faith's heaving breasts and shimmering belly. He groaned at the explosion and as he did Faith quivered in orgasm from my sexing her and the excitement of the blistering hot scene were just in.

We all collapsed hard on the soaked bedsheets from our climaxes, Faith laying between us guys. Her hands drifted back to our cocks and gently stroked them in grateful appreciation. Reaching lower, she fondles our balls, twirling them between her fingers, and then back to our cocks. Her fingernails roam across our cock heads making them tingle without arousal. My left and Devin's right hands converge of her slippery pussy, playing with her outer lips, sending a finger into her every once in a while. We all fall asleep holding, touching each other until the next day becomes new.

We wake up to the sound of the football games and the smell of coffee. Seems like some invites didn't make it home and decided to spend the night on the living room sofa. Devin and I roll onto our sides to face Faith and plant a big kiss on each cheek. She responds in kind and we start up all over again, slowly kissing our way down her musty body until Devin and I meet at her venus mond. Oh, she tastes so, so sweet in the morning.

There was once a time that I was shy and very introverted. That was all through my high school and college years. Then I met a guy who I has sex with (not my first, though). It wasn't the sex that I remember, but his

Mylene

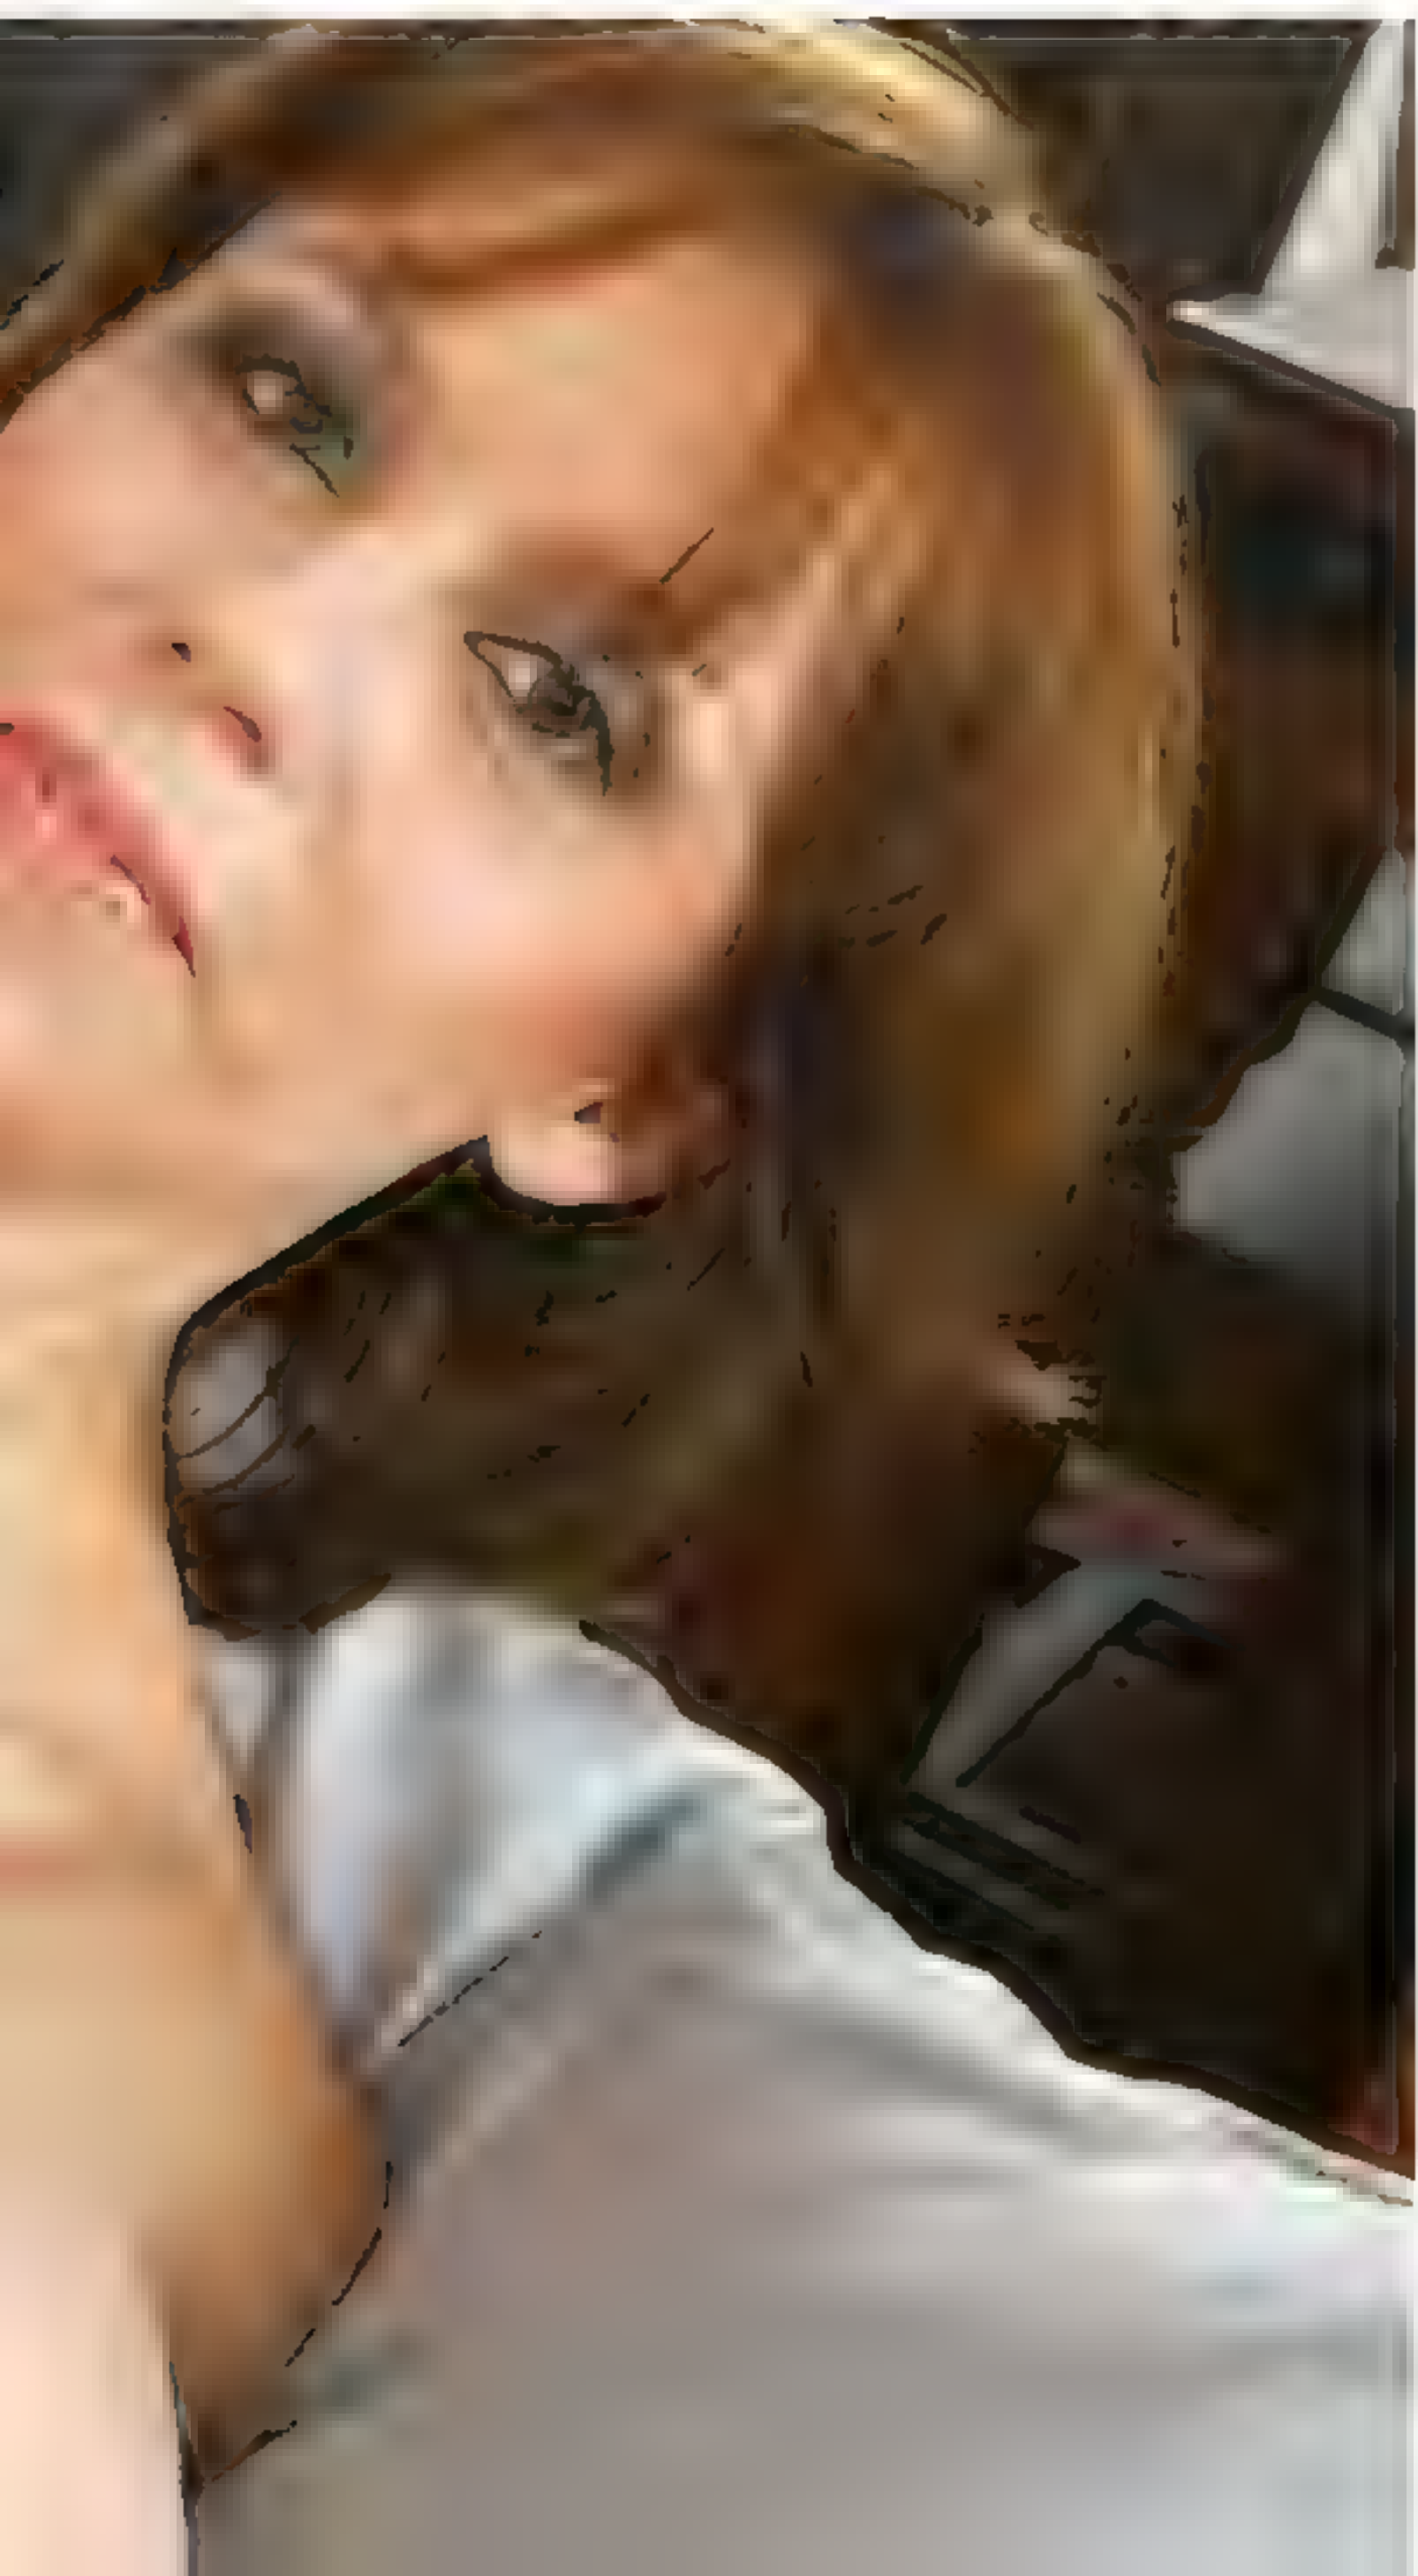

pure attention and affection that made me more secure in myself. Confidence can go a long way in everything you may do. Take it from me!

So what's sexual confidence? It's not worrying that twenty-something girls are shaving their pussies. My hubby and me both like a natural bush, as do all of my friends. Oh, I tried the shaving thing and it's fine as a novelty and for photos, but in real life, the upkeep and uncomfortableness are too much.

New friendships develop in so many different ways. Take Ana and Gery. Two ladies from different worlds that cum together under a heaping slathering of massage oil. First you have to warm it up on your hands, and then apply it liberally onto naked skin.

Ana & Gery

Ana then rubs it in deep, in all the little crevices, every fold until there's a warm sensuality in the room. That's when the therapist gets warm and sheds her clothes for a more intimate rubdown.

Surprisingly it's Ana, the svelte masseuse that seems to be making the first move. Not a negative sound from Gery. Rub away. It's going to get hotter and you're going to need more massage oil. We'll wait.
